

FINALMENTE IL GUANCIALE È DAVVERO COME LO VUOI

MyPillow by Olmo® abbina le esclusive caratteristiche della schiuma visco-elastica a ritorno lento Casanova® alle proprietà degli inserti, che oltre a rendere unico e riconoscibile il proprio guanciale, garantiscono al cuscino un doppio comfort che permette a ciascuno la possibilità di scegliere il lato ideale su quale dormire in base alle singole esigenze e preferenze di riposo.

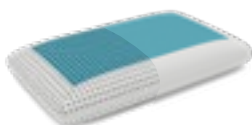

MyPillow by Olmo® è la naturale evoluzione di Venice: si adatta perfettamente alle forme che sostiene, favorendo il relax e fornendo una protezione attiva della salute.

FINALLY THE PILLOW IS REALLY AS YOU WANT

MyPillow by Olmo® combines the exclusive features of the Casanova® slow-return viscoelastic foam pillow with the properties of the inlay.

In addition to making the pillow unique and recognisable, these features guarantee twice the comfort as anyone can choose the ideal side on which to sleep, based on their individual needs and sleeping preferences.

MyPillow by Olmo® is the natural evolution of Venice: it fits in perfectly the shapes that supports, aiding the full relax and eliminating painful cervical diseases.
